

Prof. Dr. Alok Pareek and Dr. Aditya Pareek – Live 2020

Prof. Dr. Alok Pareek is a very successful classical homeopath. He is the Chairman of the AYUSH advisory committee, Govt. of Uttar Pradesh and the CCRH (Central Council for Research in Homoeopathy) for the Government of India. He is also the senior most faculty member of the Post Graduate Homoeopathic Courses in the University of Agra, India. Together with further family members and resident physicians he provides homeopathic care for 300 patients daily. The Pareek Homeopathic Centre in Agra, India, has a hospital with 50 beds and a very busy OPD. In treatment of cancer patients Prof. Dr. Alok Pareek is in close collaboration with Dr. Dario Spinedi, Switzerland. Last but not least, he is the World President of the LMHI – International Homoeopathic Medical League.

Dr. Aditya Pareek, MD (Hom) Medicine, has been a homeopathy delegate at various world congresses since 2009. He has presented scientific papers in Poland, France, Argentina, South Africa, Germany and Italy. He was coordinator of the Scientific Program at the World Congress in New Delhi in 2011 and is a member of the working group of the LMHI.

He is Assistant Professor at the Faculty of Integrated Medicine, DEI University, Agra and the current President of the Indian Society of Homoeopathy.

Dr. Aditya Pareek was awarded the Dr. B K Bose Memorial Award by the Indian Homeopathic Organization in 2018, the Dr. Jugal Kishore Memorial Award by the HED Society in 2016, the Malati Allen Award by the West Bengal Homeopathic Association in 2013 and the Academic Excellence Award by the Indian Institute of Homeopathic Physicians in 2012. Like his father and grandfather, he is a practising homeopath at the Pareek Homeopathic Centre in Agra, India.

Live Seminar with an Emphasis on Gynecology / Neurology / Psychiatry

In 2020 the focus will be on gynecology, neurology and psychiatry and their treatment with classical homeopathy, supplemented by miasmatic aspects and very practical examples with pictures or small video presentations.

Prof. Dr. Alok Pareek's practical and very successful approach is an art almost lost in the West, which we know mainly from the records of Burnett, Schlegel, Boger and other masters. Illustrative case studies provide deep insights into the work of the old teachers (mother tinctures, Schüssler salts, organ remedies, constitutional remedies, miasmatics, dietetics...). You will benefit from Prof. Pareek's extensive experience of the "small" and in our countries little used remedies. His profound knowledge of organ remedies is helpful in accompanying patients with far progressed pathologies and even seemingly hopeless situations. These "grains of gold" will again open up undreamt-of possibilities in homeopathic treatment and healing successes for you in this seminar.

Dr. Aditya Pareek presents a variety of practical cases to enhance the theoretical background and very practical teaching. His miasmatic and clear analysis of the cases gives the listeners confidence in dealing with severe cases.

Venue:

Krankenhaus für Naturheilweisen Harlaching, Seybothstr. 65, D-81545 München/Harlaching

26. – 29. November 2020 (4 Days)
